## SERVICE CLUB ANNUAL PICNIC

Plans are all complete for the big basket picnic to be held next Saturday (July 13th) in the park of the Experimental Station, beginning at 1 p.m. This year the North Saanich Service Club and the North Saanich Branch of the

Canadian Legion are combining forces to make one big day of it. There will be fun and plenty of it for all who attend. Besides the sports program there will be tables of home-cooking, candy, soft drinks, etc., and such side-shows as house-housie, coconut shies and horseshoe pitching. Among the fun-makers will be a blindfold wheelbarrow race and a blindfold boatrace for the men and balloon-blowing competition for the ladies, also a tug of war between teams from the Legion and the Service Club, while Capt. C. R. Wilson will be on hand to entertain with selections on the pipes.  
The evening will be rounded out by a softball game between the girls and a picked team of married men.

Any friends wishing to spend a good day are invited to pack their basket and come along and join the fun.  
The events for the David Spencer and "If" cups will be run off during the afternoon.

The church was prettily decorated with white Canterbury Bells. The bride, who was given in marriage by her father, looked charming. She wore a beautiful white gown of silk crepe in princess style with high neck line, centered with three choux of tulle, the low cut back was trimmed with rows of ruching, ending in a narrow sash falling to the hem of the floor-length skirt. With this she wore a small white turban hat with short veil and white accessories and carried a beautiful sheaf of regal lilies, roses, stocks and fern. She was attended by her sister, Miss Alice Howard, her only bridesmaid, who wore a pretty gown of pale green organdie made in cape effect, the skirt was moulded to the figure and flared with pretty small frills from the knee to the ground, with this she wore white accessories and carried a bouquet of pink sweet peas and maidenhair fern tied with soft pink ribbon.

The rooms were prettily decorated with foliage, spirea and red roses in the centre of which hung a pretty decoration of streamers, Regal lilies and other flowers in pink and white effect.  
The bride and groom stood under an archway where they received the congratulations and good wishes of their friends.  
A beautiful three-tiered wedding cake centred the table, which was prettily decorated with roses and fern. After supper dancing was kept up till 2 a.m.

## "It was worthless until properly advertised"

For a long time it was a failure. No one would buy a Gillette Razor. In desperation King C. Gillette began giving razors away. But it did no good.

It was not till nearly ten years later, when an advertising expert came along that Gillette Razors began to boom. In a few years Gillette was a rich man. His company came to have a capital of £6,000,000, with a profit of £1,500,000 and factories all over the world.

One fact stands out: THE IDEA WAS WORTHLESS UNTIL PROPERLY ADVERTISED.

Why shouldn't you benefit by advertising? Harness the "power of the Press" to your own problem. Tell people about your product or service. And keep telling them! It's the 'ammer, 'ammer, 'ammer that brings the business in. Remember —

The committee requests that all rations be handed to the supper committee, who will arrange the tables and provide the liquid refreshments.

Entries for the various events should be handed in on the field as early as possible to prevent delay in carrying out the program.

The clerk of the course will supply any information required. Les Ricketts will announce the items and Comrades Sansbury, Clarke, Garrard and Kennedy will take charge of the various competitions.

Here's hoping for a fine day and a fine crowd.
